

DRUG AND ALCOHOL FREE POLICY

Drug and Alcohol Free policy is a comprehensive structural guideline for the company to take appropriate action to deter, detect, and take corrective measures regarding consumption, possession and distribution of substance affecting employees and the workplace.

TECHNOFIT reserves all right to screen employees under the influence of substance. All issues related to alcohol and drug will be evaluated through established legal and industry codes of practice.

All employees are obliged to be in a state of consciousness, free of any control of drug, alcohol or any equivalent substance.

Failure to condone will require disciplinary action to be taken.

TECHNOFIT takes proactive steps to promote awareness among employees and help them recognize and understand the effects of drug and alcohol abuse.
